One of my biggest skin flaws, that I have had since I was young, are acne scars.

Just roll on and go! Clear Gel - 24 hour protection - hypo-allergenic - extra

I have been coming home lately from working and taking long naps and of course spending a lot of time with my friend the toilet.

It's unbelievable and brings me to tears just thinking about it.

I haven't tried the invisible solid yet, but I'm sure it's great, since it is similar to the gel, and leaves nothing behind.

;) I also really love the microdermabrasion scrub.

One of the most important things to me is how long it lasts.

No more cleaning up detergent spills or measuring! The all Free Clear is also available in all mighty pacs .
