It has no dyes or perfumes It is the #1 recommended by dermatologists for sensitive skin.

I recently had the opportunity to try out some samples of derma e products.

What are some items that you loved during pregnancy? I know there are a lot

The roll on is of course easy to use.

I was really excited to try out the new Dry Idea in the clear gel form.

YES! That's right.

Often when I break out or get a pimple, I will be left with a small scar as a reminder.

I just pour until it looks like the right amount for what I need done.
