It's unbelievable and brings me to tears just thinking about it.

I have been coming home lately from working and taking long naps and of course spending a lot of time with my friend the toilet.

I haven't tried the invisible solid yet, but I'm sure it's great, since it is similar to the gel, and leaves nothing behind.

;) I also really love the microdermabrasion scrub.

One of the most important things to me is how long it lasts.
