One of the most important things to me is how long it lasts.

Disclosure- Dry Idea provided a free sample of their Advanced Dry Roll-On so I could review them.

;) I also really love the microdermabrasion scrub.

I'm the one who runs the dryer a couple of extra rounds when I don't feel like folding it and putting it away:) That way it doesn't get wrinkled from just sitting there.

It's unbelievable and brings me to tears just thinking about it.

No roughness to the gel, like some cleansers have.

Just roll on and go! Clear Gel - 24 hour protection - hypo-allergenic - extra

I really like how long the Dry Idea works for protection from odors.

I would prefer natural ways as I don't want to have to take meds.
