I have been coming home lately from working and taking long naps and of course spending a lot of time with my friend the toilet.

I haven't tried the invisible solid yet, but I'm sure it's great, since it is similar to the gel, and leaves nothing behind.

Just roll on and go! Clear Gel - 24 hour protection - hypo-allergenic - extra

It's unbelievable and brings me to tears just thinking about it.

No more cleaning up detergent spills or measuring! The all Free Clear is also available in all mighty pacs .

Whether you have dry skin, scars, itching, or flaky skin, there is one company who has a product for your skin problems and they are confident that you will fall in love.

; ) I also really love the microdermabrasion scrub.

One of the most important things to me is how long it lasts.
