We have Collaborative care improves chronic pain outcomes.(MUSCULOSKETAL DISORDERS)(Report): An article from: Family Practice News [HTML] [Digital] DjVu, PDF, ePub, txt, doc formats. We will be glad if you go back anew.

It really works well for preventing sweat.

The first time I saw those pretty pink lines I thought I was going to faint.

Maybe it will be the magic potion I needed.

One of my lucky readers will receive an all mighty pacs gift pack which contains:

I have tried many kinds.

If you are in Canada please check this page to order your sample pack.

November (3) October (2) September (1) August (2) July (2) June (4) May (3) April

a bit quiet around here lately, but it is about to get busy.

2 of my lucky readers will receive a coupon for a free 3.25oz or smaller Dry Idea Advanced Dry.

So for me a gel was great to try, even though there are some solid form deodorants that are great.
