One of my lucky readers will receive an all mighty pacs gift pack which contains:
a bit quiet around here lately, but it is about to get busy.

So for me a gel was great to try, even though there are some solid form deodorants that are great.

It really works well for preventing sweat.

The first time I saw those pretty pink lines I thought I was going to faint.

The packs dissolve completely so there is nothing left to clean up.

Commercials are always full of the newest facial products that are often very costly and don't work.

Maybe it will be the magic potion I need.

I have tried many kinds.
