One of my biggest skin flaws, that I have had since I was young, are acne scars.

It's unbelievable and brings me to tears just thinking about it.

I have been coming home lately from working and taking long naps and of course spending a lot of time with my friend the toilet.

;) I also really love the microdermabrasion scrub.

I haven't tried the invisible solid yet, but I'm sure it's great, since it is similar to the gel, and leaves nothing behind.

One of the most important things to me is how long it lasts.
