I have spent a lot on expensive products that don't work so I will definitely be giving this scar gel a try. in unscented, powder fresh or Cool burst w/ air conditioning effect.

Words can't even describe how happy I feel.

10:40 AM | Posted by Tiffany | Edit Post Recently, I had the opportunity to try all mighty pacs , which I do really like.

It contains no water. It is time released for longer lasting odor protection.

I used it to take my makeup off and it was amazing.

And I do not want to be *that* woman.

They are the best way to vacation and getting one for free would be amazing.
