It's unbelievable and brings me to tears just thinking about it.

Disclosure- Dry Idea provided a free sample of their Advanced Dry Roll-On so I could review them.

Just roll on and go! Clear Gel - 24 hour protection - hypo-allergenic - extra

I'm the one who runs the dryer a couple of extra rounds when I don't feel like folding it and putting it away:) That way it doesn't get wrinkled from just sitting there.

No roughness to the gel, like some cleansers have.

I really like how long the Dry Idea works for protection from odors.
