When it comes to using detergent, I am not a measuring kind of woman.

However, all of the opinions expressed here are my own.

It doesn't need to have a special scent or anything amazing about the design.

I have gone a few times to spas and had a microdermabrasion facial treatment.

I haven't tried the invisible solid yet, but I'm sure it's great, since it is similar to the gel, and leaves nothing behind.
