The packs dissolve completely so there is nothing left to clean up.  
Commercials are always full of the newest facial products that are often very costly and don't work.  
So for me a gel was great to try, even though there are some solid form deodorants that are great.  
a bit quiet around here lately, but it is about to get busy.  
I would prefer natural ways as I don't want to have to take meds.  
I really like how long the Dry Idea works for protection from odors.  
No roughness to the gel, like some cleansers have.  
If you are in Canada please check this page to order your sample pack.  
One of my lucky readers will receive an all mighty pacs gift pack which contains:  
I'm the one who runs the dryer a couple of extra rounds when I don't feel like folding it and putting it away:) That way it doesn't get wrinkled from just sitting there.
