Disclosure- Dry Idea provided a free sample of their Advanced Dry Roll-On so I could review them.

One of the most important things to me is how long it lasts.

I'm the one who runs the dryer a couple of extra rounds when I don't feel like folding it and putting it away:) That way it doesn't get wrinkled from just sitting there.

; ) I also really love the microdermabrasion scrub.

No roughness to the gel, like some cleansers have.

It's unbelievable and brings me to tears just thinking about it.

I really like how long the Dry Idea works for protection from odors.

Just roll on and go! Clear Gel - 24 hour protection - hypo-allergenic - extra

I would prefer natural ways as I don't want to have to take meds.
