a bit quiet around here lately, but it is about to get busy.

It really works well for preventing sweat.

So for me a gel was great to try, even though there are some solid form deodorants that are great.

The first time I saw those pretty pink lines I thought I was going to faint.

Maybe it will be the magic potion I needed.

The packs dissolve completely so there is nothing left to clean up.

I have tried many kinds.

Commercials are always full of the newest facial products that are often very costly and don't work.
