I was really excited to try out the new Dry Idea in the clear gel form.

What are some items that you loved during pregnancy? I know there are a lot

I just pour until it looks like the right amount for what I need done.

I recently had the opportunity to try out some samples of derma e products.

a Rafflecopter giveaway 1 comments | Links to this post Wednesday, July 4, 2012 Derma

It has no dyes or perfumes It is the #1 recommended by dermatologists for sensitive skin.

(47) December (76) November (76) October (28) Wednesday, October 3, 2012 All day sickness &

I just don't want to have to reapply more than once a day.

The roll on is of course easy to use.

They can be quite costly at spas so it is nice to have something I can do at home for an affordable price.
