I have been coming home lately from working and taking long naps and of course spending a lot of time with my friend the toilet.

One of my biggest skin flaws, that I have had since I was young, are acne scars.

I haven't tried the invisible solid yet, but I'm sure it's great, since it is similar to the gel, and leaves nothing behind.

No more cleaning up detergent spills or measuring! The all Free Clear is also available in all mighty pacs .

Just roll on and go! Clear Gel - 24 hour protection - hypo-allergenic - extra

Whether you have dry skin, scars, itching, or flaky skin, there is one company who has a product for your skin problems and they are confident that you will fall in love.

It's unbelievable and brings me to tears just thinking about it.

It's mostly nausea, I can keep most things down except at night.

;) I also really love the microdermabrasion scrub.
