I just don't want to have to reapply more than once a day.

They can be quite costly at spas so it is nice to have something I can do at home for an affordable price.

I recently had the opportunity to try out some samples of derma e products.

It has no dyes or perfumes It is the #1 recommended by dermatologists for sensitive skin.

It is still hard to believe that at the end of April I will be snuggling my own baby.
