I recently had the opportunity to try out some samples of derma e products.

It has no dyes or perfumes It is the #1 recommended by dermatologists for sensitive skin.

What are some items that you loved during pregnancy? I know there are a lot

I was really excited to try out the new Dry Idea in the clear gel form.

The roll on is of course easy to use.

YES! That's right.

I just pour until it looks like the right amount for what I need done.
