One of my biggest skin flaws, that I have had since I was young, are acne scars.

Disclosure- Dry Idea provided a free sample of their Advanced Dry Roll-On so I could review them.

I'm the one who runs the dryer a couple of extra rounds when I don't feel like folding it and putting it away:) That way it doesn't get wrinkled from just sitting there.

I have been coming home lately from working and taking long naps and of course spending a lot of time with my friend the toilet.
