I'm the one who runs the dryer a couple of extra rounds when I don't feel like folding it and putting it away:) That way it doesn't get wrinkled from just sitting there.

No roughness to the gel, like some cleansers have.

Disclosure- Dry Idea provided a free sample of their Advanced Dry Roll-On so I could review them.

I really like how long the Dry Idea works for protection from odors.

I would prefer natural ways as I don't want to have to take meds.

One of the most important things to me is how long it lasts.

Commercials are always full of the newest facial products that are often very costly and don't work.

;) I also really love the microdermabrasion scrub.

The packs dissolve completely so there is nothing left to clean up.
