I have been coming home lately from working and taking long naps and of course spending a lot of time with my friend the toilet.

I haven't tried the invisible solid yet, but I'm sure it's great, since it is similar to the gel, and leaves nothing behind. One of my biggest skin flaws, that I have had since I was young, are acne scars.

all mighty pacs One 24-count of all free clear mighty pacs One 24-count of original

No more cleaning up detergent spills or measuring! The all Free Clear is also available in all mighty pacs .

Whether you have dry skin, scars, itching, or flaky skin, there is one company who has a product for your skin problems and they are confident that you will fall in love.

Just roll on and go! Clear Gel - 24 hour protection - hypo-allergenic - extra

It's unbelievable and brings me to tears just thinking about it.

It's mostly nausea, I can keep most things down except at night.

I was able to review the roll on, but I also bought the clear gel form.
